- Pastor Larry reminds us that every day, you, and I are either going to gravitate toward the way the world thinks or we're going to renew our minds into the way that God thinks. How have you renewed your mind to become the person that God is intending you to be?
- Read Romans 11:33-36. To God be the Glory. How have you tried living a grateful life that spills over you? How have you shown gratefulness to God for the smallest things in your life?
- Read Romans 8:9 and Romans 8:10-11. Pastor Larry in his message asked, "A question for today... does the spirit of God live in you?" If he does, how have you seen the spirit of God manifest in your life?
- Read Romans 12:9-17. How has your transformed mind looked for opportunities to bless people?
- Pastor Larry stated, "The transformed mind is confident in the ultimate outcome." Reflecting on your life, "Are you confident today or are you moving through life conformed to the patterns of this world with so much skepticism and doubt?"
