There are probably several words in Matt. 11:20-24, that you have heard again and again in Christian circles. Pastor Larry spoke on the word Repent and how it is a softer caring word that we have dramatized and used as a weapon culturally. In what ways have you seen or experienced that word being used as a weapon?

- Which cities had not seen or experienced the miracles of Christ? Which 3 cities had seen or experienced miracles of Christ and how had they responded?
- Pastor Larry reminded us that “with more light comes more responsibility and that God will hold you accountable and responsible for what He has given to you.” What step could you take this week to reach a lost neighbor, family member, or friend with the Good News of Christ?
- Why is it dangerous for us to know the truth about God and yet continue to sin?
- What would Jesus say if He came and preached in our city today?
- Why do you think we sometimes become indifferent toward God as the people of Chorazin and Bethsaida did?
