If someone looked at your spending trends, what would they learn about you?

Matthew 2:11-15 Matthew 6:19-21

A S K

- How much of what you knew, or thought you knew, about the Magi is actually in the Bible? What are some misconceptions we have adopted in our Christmas traditions? Are these at all harmful?

- Describe how the Magi put their beliefs about Jesus, based on very little information, into action. How much more and better information about Jesus do we have today? What does that say about our (your) faith and action?

- How did Jesus see the connection between our treasures and what we believe?

- What do you notice in these verses about Joseph? How did he put his belief into action? How difficult would his actions have been in those times?

- How have you ever known that God was calling you to act or give or move in a specific way? What was your response? Was it easy? Was it worth it?
