### W A R M U P

When have you seen something happen that you couldn't explain?

### R E A D

Matthew 4:23-25

Luke 4:31-44

### A S K

- How did Jesus begin his public ministry? What does that tell you about the 1<sup>st</sup> Century Jewish culture?
- What kind of healings are summarized by Matthew in this introduction? Why are there four distinct categories?
- This is the first of many indication of demon possession in the New Testament (and there aren't many examples in the Old Testament). Do you think this was a new phenomenon for that time? What about today?
- What was the purpose of Jesus' healing miracles?
- Do you believe that God can do miraculous healing today? Do you believe that He does sometimes? Why or why not?
- How would you define a "miracle"?
- If God is the creator and provider of all things, does healing with modern medicine or is the natural birth of a baby constitute a miracle?
