

In God's Big Story

God has faithfully rescued His people, but they're now thirsty and complaining in the desert. God responds with kindness, providing water for them from a rock because He cares about our needs.

LIFE CONNECTION

Word of Wonder Memory Practice

The Unexpected series Word of Wonder is Ephesians 3:20 about God's great power and Him being able to do more than we can imagine! As a family, work together on memorizing the Word of Wonder this week.

Use a washable marker (wet-erase, dry-erase, or chalk marker) to write the Word of Wonder on the mirror in the family bathroom. This week, whenever your family is washing hands, brushing teeth, or washing faces, practice saying the Word of Wonder. You can even encourage whoever is in the bathroom to shout it out and anyone who can hear to join in! As the week goes on, you can erase a word at a time as the verse becomes more familiar. By the end of the week, the whole family can say the Word of Wonder together!

WORSHIP RESPONSE

Complaints to Praises

God cares about our needs, but sometimes it's hard for us to remember this truth. Take some intentional time this week to think through how often we complain and how often God provides for us.

Set out a jar in the kitchen or living room. Place small slips of paper and a pen or pencil by the jar. Whenever anyone in the family complains about something, that person needs to write down his complaint and put it in the jar. (If you have younger kids, help them write out their complaints, or encourage them to draw a picture to express their complaints.)

At bedtime each night, read the complaints and talk about them together. Encourage the family members who wrote the complaints to think about them and then express ways God has cared about their needs.

It's easy for us to complain, but we'll see that when we take time to think about it, it's also easy to see how God cares about our needs!
