- In what part of your life would you like to see God's power?

## BIBLE MEMORY

### God Is Powerful X 10

In this week's Bible story, God showed His power by sending 10 plagues. Ten times everyone living in Egypt—the Pharaoh, the Egyptians, and the Israelites—witnessed that God is more powerful than any man, woman, or false god. This week let the series Word of Wonder remind your family that God is powerful!

Every day this week, choose a different accent or silly voice and say Jeremiah 32:17 in it together ... 10 times!

## CREATE IT!

### Plague-Dough

Review the story of God freeing His people from Egypt by recreating the first nine plagues using play dough. They are river to blood, frogs, gnats, flies, livestock disease, boils, hail, locusts, and darkness.

Add some fun by making homemade play dough using this recipe: Whisk together 2 ½ cups flour, ¾ cups salt, and 2 tablespoons cream of tartar. Add ¼ cup vegetable oil and 1 ¼ cups boiling water. Mix well. Once cool, knead the dough until smooth. Invite your child to knead the dough. After the dough reaches the desired texture, consider mixing in food coloring.

Divide the dough into nine sections. Invite each family member to make a plague and ask them how it showed God's power. Finish by praying together and thanking God for showing His power then and now.

NOTE: The tenth plague (death of the firstborn) was especially difficult and is best not to recreate with play dough. However, if your kids are curious about it, talk about it together, pointing to both God's power and His love.
