### A S K

- When troubles come into your life, what is your normal response? What is your first impulse for problem solving?
- At what point do you usually turn to God? How?
- Do you typically ask God to fix the problem, equip you to persevere through it, teach you something new as a result, or ....? Discuss each one of these and when they might be the best approach.
- How might your trials bring glory and honor to God? What is your role?
- Be real – how much comfort is there in the notion that our only hope for today's troubles is a future peace "in heaven"? In what ways is the Kingdom of Heaven here and His peace is available now.
