- What did you hear from Pastor Larry this week that challenged you?
- What do these verses have to say about you judging other people for their actions or words?
- What do they have to say about your own sin and repentance?
- Is there a difference between being judgmental and having discernment about someone who may be a threat to you or to the Church? How do you tell? What do you do about it?
- What is the difference between being judgmental and being an “accountability partner” with the intent to restore and build up? How do you tell? How do you do it?
- Do you need an accountability partner in your life now? If so, what can you do about it?
