- In what area are you most inclined to be envious of others?
- Are you competing internally with anyone (e.g., a parent, sibling, or friend)? How is that envy affecting you and your relationships?
- How do you think envy can be physically detrimental (or "rot the bones")?
- Why is envy like chasing after the wind? Where does it lead or end up?
- How would you answer the questions that the person in verse 8 asks himself? For whom am I toiling? (Who am I really trying to prove something to?)
- Is there someone in your life who is envious of you? What are you doing to stimulate their unhealthy envy/competition? What should you do about that?
